SENATOR MARSH: Good morning, Mr. President, and members of the Legislature. When you arrived this morning you were the recipient of a special gift placed on your desk. This is a gift from the Plant Two Trees Committee. It is a thank you for those of you who voted to put A Tree Planter State on the license plate, and it is a reminder for the rest of you that you will have an opportunity to reconsider your vote on Select File, for we need to emphasize that trees need to be planted in the State of Nebraska. We will be celebrating Arbor Day and the Plant Two Trees Committee wants to make it easy for you to plant a tree on Arbor Day, and the Legislature wants to make it easy for you by giving you a day off on Arbor Day. So many of us wish you a happy Arbor Day, good planting, and remember, the State of Nebraska needs your vote to help make this the Tree Planter State. Thank you very much.
